

Exposition Of Damnable Heresies

Mamba Snake at the Jordan

Book Two

And I heard the weeds a-mashing down, and I looked, and here come a huge monster snake crawling through the weeds...And he crawled up on the highway. And as soon as I got sight of him, I knew it was a mamba...And the snake, of course, represents sin, death." Paradox of God - 1961.

FOREWORD

On 2nd and 3rd of June 2001, there was a second gathering of message believers at Bethel (The House of God), Calcutta Road No.2, Freeport, Trinidad, West Indies, for the purpose of exposing other Heretical Articles, apart from those which were previously exposed in Book One.

Again, ministers of the Message of William Branham, Malachi 4:5-6, God's Servant and Prophet to the Laodicean Church Age, were personally engaged in this spiritual warfare, bringing down the stronghold of interpretations. Churches, Ministers and Lay-members from the Caribbean, South and North America also supported this work in various ways.

These ministers used the written Word and quotations of Brother Branham and successfully exposed these new Heresies. They took the same simple approach of exposing these articles of this exposition as was previously used in exposing heretical articles of Book One. These articles are now re-produced in this book from magnetic tapes and videos, therefore it is a documentary reproduction of such magnetic taped sermons.

This second book on Exposition of Heresies- Mamba Snake at the Jordan is a continuation of the first book in which fourteen heretical articles were exposed by various ministers of the Faith. This second book is of the same nature and basis as the first book, the difference being the heretical articles, No.s 15-24. This second book arose out of the great demands, responses, comments and encouragement from the ministry worldwide. We felt obligated to publish this second book to make known the works of the Antichrist and Nicolaitan seducers around the message of the hour. Our intentions are not to attack or discriminate against ministers, churches or individuals believing contrary, but to expose heresies in the message in general. "For we wrestle not against flesh and blood but against powers...It is our God given duty to contend for the Faith which was once delivered unto the saints, lost but now restored by Malachi 4:5 & 6 - William Branham, the messenger to the seventh church age.

This booklet is free of all charges (freewill contributions are accepted to cover printing and postage cost) and may be reproduced by believers of the message of Malachi 4:5&6, but strictly without alteration in any form.

We would like to give authorization for the translation of these books into different languages, however, we would like to be informed of such and would like copies of the same for approval. We also apologize for any typographical errors in this booklet.

These messages "Exposition of Damnable Heresies - Mamba Snake at the Jordan", Articles- No. 15 to 24 are for the edification of the Bride worldwide, to give an answer to those who have projected such doctrines to us and to better equip all who contend for the faith and the promises of God delivered to us by Brother Branham.

If these messages happen to reach you, may it be fully understood that they are not intended as a personal attack on any individual or group. They are purposely designed by the spirit to expose these damnable heresies injected into the message of Christ. We do not in any form indicate that we are ministers holding the offices of **Prophets, eighth messenger, Christ, Son of Man** or any other office gifts. Such offices are not necessary for the exposition of damnable heresies especially after the major Prophet, William Branham had delivered the faith.

Vision of the Mamba Snake

"I was coming down to the Jordan: looked like I was standing on the map of Palestine. And I was coming down to the Jordan...And as I drew near the river, I looked back and seen which a way I had come, and I was two thirds of the way there to the Jordan. And I looked across Jordan, and I said, "Oh, praise God, just on the other side is where all the promises lay. Every promise lays in the promised land." it seemed that I was lifted up and setting on a--a highway, a narrow highway with some brother. And a voice came and said, "There's such danger in these days. There's a great hideous thing that's death when it strikes you." And I heard the weeds a-mashing down, and I looked, and here come a huge monster snake crawling through the weeds...And he crawled up on the highway. And as soon as I got sight of him, I knew it was a mamba...And the snake, of course, represents sin, death. See?...And I said, "Satan, in the Name of the Lord Jesus Christ, I bind you." ...And then when he did that, that Voice said, "Now, you must be more sincere than what you are to do this." Then it left me, and I was standing in the room...And so I slipped off into the den room, and I got down on my knees, and I said, "Lord Jesus, I don't know these things. And what must I do?... And I took this Bible and just pulled it open like that, and my thumb was laying at I Corinthians the 5th chapter, the 8th verse,..."When you come to this feast..." Which, a fast in the body is a feast with the Lord, "don't come with the old leaven or the leaven of malice, and so forth; but come with the unleavened bread of sincerity and truth," just exactly what He had told me in the vision...Then I seen what He meant. As He... Years ago, when I seen the Bible come down (I got it wrote right here.), come down; and a hand came from heaven and pointed down to Joshua, and read the first nine verses, and stopped there. That's Joshua, come to the wilderness, but never did... He was ready to... When he got near Jordan, God called him out, said, "This day I'll begin to magnify you before the people." And then he took the children of Israel across Jordan to the land where--give them, divided to them, the promised land. I went to the woods, and prayed, and prayed, and fasted." (Paradox, Jeff, .Indianna. V-15 N-8 - 61-1210)

AFRICAN BLACK MAMBA SNAKE

MAMBA, a highly venomous, egg laying snake related to the cobra. Mambas are widely distributed in Africa except in the arid north, and they are the most feared of African snakes. Slender and agile, they have not only large venom conducting fangs in the upper

jaw, but also extremely long teeth in the lower jaw. They attack swiftly, raising their foreparts high in the air and often aiming for their victim's head or trunk. Noted for their aggressiveness, mambas are especially dangerous during the breeding season.

A HERESY AND IT'S POWER

INTRODUCTION

2 Peter 2: 1-3 - " But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgement now of a long time lingereth not, and their damnation slumbereth not."

Titus 3:10-11 - " A man that is an heretick after the first and second admonition reject; Knowing that he that is such is subverted and sinneth, being condemned of himself."

We deem this, another historic event, a most important gathering in many months. We feel the atmosphere of the Holy Ghost by singing the song this morning "Come and see the antichrist"

We are here this morning for the exposition of damnable heresies which men have injected into the message of Malachi 4 God's servant and Prophet, William Branham. So we declare war again this morning on all heretics and all heresies. And we would spend the rest of the day exposing these heresies. We will have several ministers today. I want to explain briefly what is a Heresy, as an introduction, because we are planning again to put these heresies in another book as "Exposition of Damnable Heresies" Mamba Snake at the Jordan No.2

I would like to entitle this topic "A Heresy and its power." A heresy is one of the most powerful weapons in the hands of the devil. It is greater than the atomic bomb. In the hands of scientists, the atomic bomb destroys the body and material things, but a Heresy destroys the souls of mankind.

A Heresy means doctrinal departure from revealed truths or erroneous views. I will sum up the meaning of a heresy as a lie injected into the word of truth and the Message of the hour. These heresies that we are exposing are partly based upon the Message of the hour, and the Bible. So for you to have a heresy, you must have truth. Because a heresy is departure from truth. So all heresies are built upon some truth. Truths of the Bible, truths of the message that God sent upon the face of the earth. Therefore to have a heresy you must first have truth and then that heresy is built around the truth of God's word or the Message for

the day and hour, in order to mislead God's children that they don't find the way of salvation. A Heresy is invented by Satan to misconstrue the truth to cause mankind to lose the way, or mistake the way of truth and salvation. A heresy is a lie.

In other Scriptures, heresies are called by different titles. Doctrines of devils (1Tim:4:1) Private interpretations (2Pet:1:20) Another gospel

.ii.

(Gal 1:1-9) Spiritual darkness (Jn. 3:9-20) Deeds and doctrines of the Nicolaitanes (Rev 2:6) They are all one and the same and pertains to the same subject and that is perverting the Word of God. Perverting the truth, perverting the Bible, perverting the message that God sends to mankind. So heresies are based on truth but are doctrinal departure from truth. The power of a heresy is greater than the atomic bomb. Peter the man with the keys to the kingdom of God called a Heresy "Damnable Heresy." Therefore the power of a heresy is expressed in the word "damnable" and that says a lot. "Damnable heresies". Right there, we can see that the power of a heresy is damnable. Damnable to what? Damnable to the souls of mankind. Is it something to play with? Is it something to expose? Did the prophets expose them? Did the apostles expose them? Did Jesus expose heresies? Did brother Paul expose heresies? (Congregation says Amen!) Of course they did, because they knew the danger of a heresy. A heresy is a damnable thing. It damns the souls of mankind and takes them to hell and the lake of fire by changing God's provided way of salvation.

It is the power of Satan to enslave souls to himself, his religions, his organizations, and his servants until he takes them into hell and the lake of fire. Let me stop for a moment, and go back, just to lay emphasis upon the fact that a heresy is departure from revealed truth. My brothers and sisters, there is only one way of salvation and that is through the way of the Bible, through Christ, through the revealed Word of God for the hour. To emphasize the power of a heresy. The power of a heresy works in this way. Satan comes in by his cunning devices and tries to change that one way of salvation. If he can change that one way of salvation to mankind then he shuts up the kingdom of God toward men. A Heretic always shuts up the kingdom of God from men. I want it to go down deep into your ears. In every age and every day there is only one way of salvation, that is through the message that God sends to mankind. Heresies are built around that one way of salvation, one truth, one revelation that God sends to them. In other words a heresy tries to shut up the only way of salvation to man that God has provided through Jesus Christ, through the bible, and through the message of the hour. If he can shut up that only way of salvation for the hour, and give you a way, resembling the way of salvation, then he destroys your soul. So heresies are built upon revealed truth of the hour. It comes very close and resembles the way of salvation for the hour and Jesus puts it in these words, the two shall be so close together that it shall deceive the very elect if it were possible, the only way for you to escape these

damnable heresies now upon the face of the earth is that your name must be written on the Lamb's book of life and you must be elected from the foundation of the world. This is that day and age that our Lord Jesus Christ preached about in *(Matt. 24-24) false prophets and false Christs shall arise and they shall deceive many*. These false Christs and Prophets are with billions of deceptions, right now upon the face of the earth and billions of heresies. But among all these billions of heresies and millions of heretics there is only one way of salvation. All these heresies are based upon revealed truth. Therefore a heresy .iii.

is the power of Satan, to enslave souls to himself, to his religions, to his organizations and his servants until he takes them into hell and the lake of fire. I declare here, my brothers and sisters, beyond any shadow of a doubt that all religions and man made organizations are built upon Satan's heresies regardless of the names of their religions, and the names of denominations, and organizations, they are built upon the heresies of Satan. And in the midst of all these heresies and organizations and religions there is only one way of salvation today that God has provided, and that is through Jesus Christ, through the Bible and also through the message of the hour, that came by *(Mal:4)*. If you are not following that one way of salvation you are caught by a heresy. If you are not following that one way of salvation you are deceived by the devil and a heresy.

There is only one way of salvation, every organization, every religion, and every denomination is built upon heresies of Satan. Time will fail to name these heresies. But anything that believes in a trinity, is built upon a heresy. Anything that is not baptized in Jesus Christ name, believes in a heresy. Anything that believes in three Gods is a heretic. Anything that believes speaking in tongues is the evidence of the Holy Ghost is built upon heresies. Anything that believes in roll books in the church is built upon heresies. Anything that is built upon preacher's licenses and Bible schools is built upon a heresy. Anything that separates brotherhood and ministers by education and qualifications is heresy. Anything that allows women to preach the gospel is heresy. Anything that builds an organization, Bible school and college to preach the gospel is heresy.

All religions and organizations are built upon heresies. But the elected is founded upon the word of God. "A heresy and its power." Because people don't evaluate how powerful a heresy is they treat it very casual and they become very offended when other people expose those heresies, and they blame them for criticizing. Anybody that acts like that does not have the understanding of the power of a heresy. If you don't have the understanding of how powerful, damaging, and damnable to the soul a heresy is, you need to be born again. Yes! Now divine revealed truths of God are the only power that is able to prevail over Satan and his heresies. There is only one way to escape Satan and his deceptions, by heresies today and that is by divine revelation of the truth.

All these heresies are called the gates of hell. And Jesus said in Matt.16 "Upon this rock shall I build my church and the gates of hell shall not prevail against it" and that is the revelation of the Son of Man, and that is why Luke 17:30 was to be revealed today, in the endtime, because false Christs and false Prophets

were going to flood the earth and bring forth heresies to take six billion people's souls to hell. At the same time it pleased the Lord to reveal Luke 17:30, the Son of Man revealed in the endtime, that they might have power over heresy. Oh my! If I could only bring out what is in my heart, but I know that you are understanding. I am saying, the only escape from the heresies of Satan today, that have flooded the entire earth by false Prophets, is a divine revelation of the Son of Man. And your name must be on the lamb's book of

.iv.

life before the foundation of the world, because Jesus Christ said that these two spirits would be so close together in the endtime, that they shall deceive the very elect if it is possible. I want to make a connection here to show you, the power of a heresy, how God actually planned it out in order to save the elect in the endtime, to resist these heresies. I am saying on the basis of what I just said, about the power of a heresy, that the entire Bible is for the Exposition of Damnable Heresies, and the establishment of truth by divine revelation.

You say, "Preacher what is the meaning of the Bible? What is the substances of the Bible?" The substance of the bible is "Exposition of Damnable Heresies" and the establishment of Truth by divine revelation. That is what the Bible is, and if you want it a little more simple than that, the entire Bible was written to expose, Satan and his heresies, and to establish truth in people's lives. That is the substance of the Bible. Then the entire Bible was to expose Satan and his heresies and to establish truth in the souls of mankind. Because heresies destroy you but truth saves you. When Jesus Christ came, he met the organizations full of heresies. Yes! And he said "Ye shall know the truth and the truth shall make you free." Yes! The basis of the entire bible is "Exposition of Damnable Heresies", and the establishment of truth by divine revelation.

You say, "What's the message?" The basis of the message and revelation sent to mankind by God through his Prophet, was to expose heresies and heretics, false prophets and establish the elect upon truth. Every message from Genesis to Revelation, that God ever sends upon the face of the earth, is for the purpose, to expose heresies and establish God's people on truth. Think on those statements. What is the message of William Branham? The entire message of William Branham was sent to expose all heresies and establish God's children upon Truth, and the basis of all messages that were sent upon earth, and all revelation sent to mankind by God through his prophet, were to expose heresies and heretics, false prophets, and establish the elect upon the truth.

May I make another statement? The purpose of every true office gift of the five-fold Ministry, is to expose heresy without favor or compromise, without respect of person. That is how to know the truth of God. That is how you know who belong and who does not belong to the five-fold Ministry. A true office gift that comes from God, is based on the bible, based upon God purpose Yes! And they are so gifted to expose heresies and establish the people upon every truth. Any preacher that you hear says that nobody should criticize each other's

doctrine, does not belong to the five-fold Ministry. Because he missed the purpose of the Bible, he missed the purpose of the message, and his gift never came from heaven. If his gift came from heaven he would act like Brother Paul, he would act like Jesus; he would act like Moses. The battle between truth and error, heresy and truth, waged from heaven between Michael and Lucifer. Heresy never started on earth.

.V.

Heresy started in heaven and the author and inventor of heresy is Satan. And by his tale he drew one third of the stars of God and cast them down to the earth. That is how powerful a heresy is. A heresy is so powerful, that it even challenged God in heaven. And right under the nose of Michael and Him that sits upon the throne. A heresy was in heaven itself, and caused a third of God's Holy angels to fall down to the earth. And they are now in chains of darkness reserved unto punishment.

Heresy came down from heaven and it came into Eden. The first heretic was the serpent, inspired of the devil, who was the tree of the knowledge of good and evil in the Garden of Eden. So the heretic from heaven came down to Eden and became a tree of heresy in the Garden of Eden. And that one heresy that the serpent brought to Eve and to mankind is responsible for every hospital, every graveyard, every sickness, every pain and every trouble upon the face of the earth.

That is how powerful a heresy is. Should we play with a heresy? We cannot play with a heresy. God's purpose is to expose a heresy. It's the Tree of Life versus the tree of knowledge of good and evil, it's the Tree of Life versus the tree of heresy. And this battle is going to end up today here upon the earth between Lucifer and Michael. That heresy was such a great thing and it's always based upon the message of the hour, because the serpent based his heresy upon the message of God that he brought to Eden.

Yes! Korah, Abiram and Dathan who based their message upon Moses' Message and right under the nose of a Prophet called Moses, who opened the red sea and did ten signs and wonders in Egypt land. Right under his nose a heresy was working through Korah, Abiram and Dathan and through other men, two hundred and fifty princes, and that heresy swallowed those two million people and caused them not to enter into the promised land. That heresy caused the people to deny the promise of the hour.

All heresies around the message today are to prevent another outpouring of the Holy Ghost to come to the endtime Bride. Satan is trying to stop the Bride from going over into the promise land. And that is your mamba snake at the Jordan. The mamba snake of unbelief and that devil is waiting at the Jordan trying to prevent the Church from going over. Should we play with a heresy? Is a heresy a damnable thing? Yes! It destroyed two million people in the wilderness, because that heresy was working under the prophet with a pillar of fire while he was alive. After all the signs and wonders, they ate the manna that

came down from heaven, that heresy was working right there. I want to hit the power of the heresy just right on the nose. Yes! Everybody that does not see the power of interpretations, and power of doctrines of devils, power of private interpretations, is deceived of the devil.

That heresy came down from heaven and came down to the earth. It was based upon the true Message of God. The True Message of God said don't eat of the tree, and the heretic came and injected one word into it. And he

.vi.

said, "ye shall not surely die" "N-O-T" just a three letter word, "ye shall not surely die." Korah, Abiram and Dathan right under the nose of Moses, one of the mightiest men that ever lived upon the face of the earth. These heretics were able to persuade all those people by their heresies and caused them to deny the promise of God of the hour. Yes! I am saying that the entire Bible was written to expose heresies. Every message that God sends upon the face of the earth is to expose heresy, I am saying that every true gift that God sends upon the earth is to expose heresy and establish Truth .The power of a heresy stopped people from going over into the promise land.

I am saying that the entire Bible and every messenger that God sent upon the face of the earth were to expose heresies. God always sends a message, he always sends his messenger when heresies take over the church, and the people. Yes! What was the purpose of John the Baptist? The purpose of John the Baptist was to expose heresies, and you read your Bible and you will see how efficiently he did that Yes! he exposed the heresies. He raked down those Scribes and Pharisees and he said "Now the axe is laid to the root of the tree every tree therefore which bringeth not forth good fruit is hewn down and cast into the fire." Was he a preacher of righteousness? Yes! Did he expose the churches in his day; did he expose the ministry in his day? That was the purpose of John the Baptist, that was the purpose of William Branham. When God sends a message and a messenger to the earth he has one purpose, and that is to expose heresies and establish truth.

Here came Jesus, my Brothers and Sisters, Jesus was the most critical Preacher that ever walked the face of the earth. Yes! I am telling you He was the most critical preacher. Yes!, He was contrary to everybody. Yes!, and the basis of the Gospel of Jesus Christ is to expose heresy and establish truth, because in truth there is life. Read the Gospel and you'll see the contentions that our Lord had with the Pharisees, contentions He had with the scribes, contentions He had about doctrines. His entire ministry was based upon exposing heresies. Are we wrong in sending out a book called "Exposition of heresies"? We are right my Brothers and Sisters based on the Bible, "**Jesus' Gospel**" all heresies were exposed when He came, because the devil had perverted the truth that God sent to earth. Yes! and He came with a mission, his mission was to expose heresies and establish truth. Any true man of God will expose heresies, it doesn't matter where it is, He will establish truth.

The very mission of the apostles and their writing of the epistles was to combat heresies. I cite 2nd Peter 2nd chapter right down through that chapter it is a

battle between truth and heresy. I cite brother Paul, most of his epistles were written to combat heresies, and establish truth. And he was so bold in what he was doing. He said *“Though we, or an angel from heaven preach any other gospel let him be accursed” Gal 1: 8-9* “Another gospel” is Heresy and I say any man who tries to add to this message, and change the message of William Branham let him be accursed as a heretic! The very book of Acts in itself was a battle between

.vii.

right and wrong. I cite the book of Jude, he was bold in his teachings. He said, “contend for the faith which was once delivered unto saints.” *Jude 3*. 'Contend' means to do battle, it means to fight. “For there are certain men 'Heretics' who have crept in unawares” under the message “ordained to this condemnation” it means serpent seed, children of the devil! Heretics born for a certain purpose, as Judas was born for that certain purpose to pervert the Word of God. If that is not sufficient I cite history, it tells you about Irenaeus against heresies, and there are chapters and chapters about “Irenaeus against heresies.” He was the second messenger to the church ages; did he write against heresies? (Congregation says Amen!)

Are we writing against heresies? Then, this is Bethel against heresies. This is Bruce against heresies, this is Barrow against heresies, this is Sookdeo against heresies, this is Chandler against heresies and the different Ministers. We are preaching against heresies, we are writing against heresies and Irenaeus is our brother!

You say, Preacher, you are quoting history. Don't behave dumb! Paul wrote against heresies. Didn't brother Peter write against heresies? Yes! and Brother Branham wrote against heresies in the church age book that came out against heresies more than any book written in the world. It came against the Pope, it came against the Methodists, it came against the Pentecostals, it came against almost every heresy, and if Brother Branham was still alive, he would be preaching against heresies around the message. Glory to God! I am saying that every true servant that God sends is to expose heresies. When God sent the reformers, did they expose heresies? Martin Luther nailed up 90 theses on the Catholic church door, he was exposing heresies. Did Wesley come against heresy? OhYes! and so did William Branham. They preached and they wrote against heresies.

The entire message of William Branham, was to expose heresies, because when he arrived here, the Laodicean age was overcome by heresies, and it was overtaken by heretics, then the job of William Branham, was to expose heretics and all their heresies. But since he has gone on, heretics brought up heresies based on the message. Then there must be true gifts upon the earth, to expose those heresies. We Ministers and saints of like precious faith expose heresies and establish truth by preaching, writing, electronics waves of radios, cassettes and video. We stand upon a solid foundation of all the Word of God, that God himself complimented. *“ This thou hast, that thou hatest the deeds of*

the Nicolaitians, which I also hate” Rev:2:6

We have the compliments of God for hating heresies and for coming against heresies. We hate heresies just as God hates heresies. So we have a compliment from God for coming against heresies.

This message is going across the world and let the devil know. We stand behind this message and the “Exposition of all Heresies” Amen!

May the churches, ministers and saints, who contend for the faith be

.viii.

reminded of a most recent example of one, who was overcome by the destructive power of heresies .

A young man, ambitious, smart, with a wonderful personality, God having delivered him from heretical teachings, denounced the same in no uncertain terms by his testimonies on tapes, books and newsletters, but failed to cut clear from heretics and was again entangled by the yoke of bondage, heresies, private interpretations, doctrines of devils and another gospel partly based upon the Message of the hour. He now confesses, that after fourteen months of hearing the truth, he was unable to empty his soul from the teachings of his former pastor. Such is the power of a heresy and a heretic! This bewitched soul in a desperate effort to be reinstated under those heretical teachings is writing letters of repentance, to churches and ministries, for testifying against such damnable heresies. It’s a total impossible task that he has undertaken by the instructions of the Indian Chief, through his body-guards. His testimonies are undeniable and cannot be altered, since it was efficiently documented in two books that are in circulation worldwide, he tries desperately to justify his chief heretic as the fulfillment of Brother Branham’s new ministry although he formerly denounced him as Indian Chief Authority, white horse rider, interpreter of the trumpets , 7th Seal and 7 Trumpets, Son of Man Revealed , The Second Coming of Christ, fulfilling the Joshua Commission, and several other heretical bewitchments. He has returned to his vomit.

God forewarned the church about the fall of this man, calling his name before he showed signs of his deceit, hypocrises and lies against his own conscience.

May the Lord have mercy upon his soul is our prayer, for his writings have helped many around the world thanks to his former efforts and service to God but it was necessary that he be dismissed from the House of God as a traitor to the cause of Christ and eternal life, as prophesied of him. (Titus 3:10-11 1 Cor. 5) Thus he is no longer a representative in any respect of defectors assembly publication or Bethel (The House of God)

Now in conclusion! I therefore with full assurance of faith charge these magnificent men of God to preach the word, be instant in season and out of season, reprove, rebuke exhort, with all long suffering and doctrine, for the time is come when they the followers of the message of Mal.4 are not enduring sound doctrine, but has heaped to themselves heretical teachers, because they have itching ears. And they have turned their ears away from the truth, unto fables. Heresies based upon the message of the hour. But we should earnestly

contend, do battle for the faith that was once delivered unto the saints by William Branham (Mal:4:5-6).
