

JOHN COLLINS DEFEATED BY E.O.D.H.

JOHN COLLINS, THE IMMORAL LIAR

("A Man Four Foot Tall And Four Foot Wide" - Letting Off The Pressure 62-0513E)

In May 2013, Exposition Of Damnable Heresies (E.O.D.H.) **exposed lies against Brother William Marrion Branham** (W.M.B.), which states that William Branham stole his revelation on the seven seals, seven church ages and Daniel's seventy weeks from a Baptist theologian by the name of Clarence Larkin.

These lies were propagated by an **ex-convict, sexual immoral heretic**, and backslidden former hypocritical message follower by the name of John Collins, who confessed to being **demon possessed**, and to having an immoral history of years of sexual addiction, not with the opposite sex. Thus he could not remain in the light because his deeds are evil. He therefore turned against W.M.B. and his message, **to fulfil his inordinate lust** and formulated several lies against the prophet and his message, in order to ease his guilty conscience and to cover his real reason for rejecting the truth.

Having thoroughly exposed his lies, E.O.D.H. challenged Collins or any other heretic on earth to disprove what we have written.

DEFEATED COLLINS' RESPONSE – E.O.D.H.'s CHALLENGE EVADED

Collins read our article of the exposition of his lies, and was so **defeated and dumbfounded**, that he had no defence whatsoever and was exposed before his **few followers** and the entire message world.

To shield his shame and embarrassment, Collins did a video and published an article on the net, hypocritically trying to laugh off the issue, and tried to justify his decades of sexual addiction by a medical excuse, stating that Bethel is condemning him for a disease that he had. Yes Mr. Collins, it is **a disease of the soul**. Sexual immorality apart from the opposite sex is a disease of the soul.

In this video and article, Collins **evaded our challenge**, invented other lies, and **highlighted other trivial matters**, in an effort to side-track the minds of his few deceived associates, message believers and other onlookers from the real issue of his exposition and our challenge, for which he had no defence.

If Collins had a defence against our exposition, he would have surely employed it. **He has none. His defence is departed.** Therefore his deceitful strategy is to laugh off the matter as trivial and then raise other issues in order to side-track the minds and attention of others away from the facts that his lies were exposed and he has no answer to our challenge.

COLLINS AGAIN CHALLENGED – RESPONSES & REACTIONS

E.O.D.H. was not about to be side-tracked, dragged into discussing other matters, neither let this matter rest nor let such deceit and cowardice go unanswered. We therefore **challenged Collins and all his followers publicly on their own forum,** where they gather almost on a daily basis to speak all manner of evil and blasphemies against the prophet and his message.

In no uncertain terms **we called upon Collins and his associates** to pick up our challenge and refute our exposition of Collin’s lies, if they could.

Collins and his few associates **tried their best to dodge and side-track the issue,** failed to answer, made sarcastic remarks and jested and clowned, even to the point that when we requested a photo of one of Collins’ associates, if he would pick up our challenge, this **intellectual** and big bag of air, with a big mouth, boastful attitude and nothing behind it, posted a photo of an old TV character known as the Lone Ranger.

Collins picked on our firm and cutting manner of exposure, branding it as anger, and threatened to remove our post from the forum if it was not toned down. They branded us as being rude and arrogant, and then employed the deceitful love gospel, acting like a good old priest and Pharisee in order to cast us in a bad light. None of these satanic strategies was able to help them.

What follow below are the discourses between E.O.D.H. and Collins and his unbelieving bunch of joking clowns, who **had no defence against our exposition** of Collins’ lies against William Branham:

FORUM DISCUSSIONS – COLLINS’ & ASSOCIATES DEFEATED & SILENCED BY E.O.D.H.

Quote John Collins: *“I recently received an introduction to a website for a cult church in Trinidad called Bethel “House of God.” The site thought enough of me to give me a full-page spread on the work I’m doing... I got a few good chuckles reading the article, how they added a fictional addiction to drugs to my testimony and seemed to think that a person could be saved by drugs. “Salvation from Drugs,” they titled it.*

I got interested to see what this cult church believed...

One page caught my eye. On this particular page, the entire article condemned sports! ... I read through the article, and found many quotes condemning sports...

My father was best friends with Joseph Branham, William Branham’s son... Both my father and Branham’s son were avid sports fans. To this day, both men... love to talk about sports. I can remember visiting the buildings rented out by Joseph Branham here in Jeffersonville, and the children rushing in eager to enjoy a good game of basketball or foosball.

...William Branham instructed my grandfather, pastor of the Branham Tabernacle in Jeffersonville, IN to ONLY allow the piano and organ into congregational worship.

... This Bethel church... I watched a few of their music videos... and noticed that they did not practice the instruction by the false prophet.

...While they focus on my past as their target of condemnation, I focus on the future of my walk with Christ.

...I'm not proud of my past, and regret having the disease that plagued me day and night. That "serotonin" that the Bethel mistakenly accused me of taking as a "drug," is a chemical found in the healthy body.

...Condemning me for the disease I had when enslaved by the cult is like condemning a diabetic for his body's failure to produce insulin.

...I'll gladly be condemned by others if it will help one single person find Christ. I already look like a fool – so it doesn't really matter to me if another person sees what I look like if it can point them back to Jesus Christ!"

E.O.D.H.'S RESPONSE TO JOHN COLLIN'S DEFENCE

E.O.D.H.: John Collins, the website you are referring to is **bethelthehouseofgod.net**. In it you are **branded as an outright liar** for claiming that William Branham stole his revelation of the seven seals, seven church ages and Daniel's seventy weeks from Clarence Larkin. I tell you, Bethel/E.O.D.H. really raked you over the coals, and **in no uncertain terms proved that you lied**, and even went on to publicly **challenge you before the world to prove Bethel/E.O.D.H. wrong** on this subject.

It is amazing that this is your defence against what was said. It shows that your defence is departed and that what was written is the truth. **Bethel/E.O.D.H. shut your mouth** and challenged you to bark or even bray, if you could. Is this your response to such a challenge and the exposure and defeat of your lies against William Branham, saying that he stole his revelation from Larkin?

If you had a defence you would have employed it, and if you claim to have one, **I am challenging you publicly on this forum**, as one who represents Bethel and represents Exposition Of Damnable Heresies (E.O.D.H.) to disprove what was written on **bethelthehouseofgod.net**, and if you cannot bark or bray, I am giving you the option to cackle. Don't run. **Come out and face the issue like a man or repent for your lies**. I am calling upon you to prove your lies on your website that you told to the world that William Branham stole his revelation of the seven seals, seven church ages and Daniel's seventy weeks from Clarence Larkin.

I want to let all on the forum know that **these lies were thoroughly exposed on Bethel's website**, and all that I have to say on this subject, our readers can find on **bethelthehouseofgod.net** under the title of "E.O.D.H. Exposition of John Collin's lies against William Branham." I have no deviation. I agree with it one hundred percent. Read it yourself and I invite you also to pick up Bethel on this challenge, or pick me up, if you have a defence.

Bethel proved that what William Branham taught on the seven seals in comparison to what Larkin taught is **as far as the east is from the west**. Each seal was compared, one by one, showing the differences and John Collins was proven to be a notorious liar, and he was so defeated that his only response is to deceitfully **evaded the subject** and pick on other things.

John Collins, when our readers go to Bethel's website and read the exposure of your lies against William Branham, they will see that **you never addressed Bethel's challenge**.

I challenge you to publish Bethel's article on your website, and place it side by side with your lies, and it will thoroughly expose you. You cannot pick up that challenge.

You are such a hypocrite that you started a spiritual fight and now that Bethel has exposed you as a

liar, your excuse is that you are now focusing on your future walk with Christ. What a hypocritical pretence. It seems as though you are begging for mercy. I challenge you to **focus first on Bethel's challenge** of your lies against William Branham. No outright liar has any future walk with Christ until he repents.

It was you who first made the challenge when you published your lies against William Branham. Bethel/E.O.D.H. picked up your challenge on the subject and exposed your claims as lies, and now in turn is challenging you to disprove what we have written.

Instead of taking up their challenge, you are deceitfully trying to evade the issue and trying to **medically justify your years of sexual immorality**. You are a liar. Even if you had a medical problem, the Bible said greater is he that is in you. The Holy Ghost that you untruthfully claimed would have kept you from such sexual degradation and the gates of hell would not have prevailed against you the way it did. So your excuse is deceitful and lame as an 80 year old horse with brittle bone disease that fell over a cliff.

You were devil possessed, by your own confession, and serotonin cannot cast out devils. And if you are claiming that serotonin delivered you from that demon, **you are still devil possessed**. And for you to question whether it was William Branham's teaching that caused you to get, what you call a disease, it shows how deceitful you are, and you are grasping at a straw and for anything to cover that you may evade picking up Bethel/E.O.D.H. challenge.

Where did you ever hear that believing in one God, holiness, modest apparel, water baptism in Jesus name and a woman is forbidden from teaching the gospel could get a man sick or demon possessed. You do err not knowing the scriptures, you hypocrite. You have closed your eyes to the truth and by deceit you are trying to dodge from the issue.

You said Bethel is condemning you for a disease you had. That is another lie. For you to have been such an immoral sexual addict for years under Christianity, it shows you are a dead hypocrite, lost and void of the Holy Ghost. You cannot scripturally support your claim to the Holy Ghost and salvation with such a nasty immoral life. The only way you could do that is to make the almighty a nasty Ghost, which is blasphemy. You have a demon inside of you and not the Holy Ghost. The Holy Ghost would have made you live Holy, but an unclean spirit will make a man live unclean. **Challenge what I am saying if you can.** And on top of that to open your nasty mouth against a holy prophet of God who never smoked, drank or lived immoral, then hell is too good for you, you hypocrite. Cackle, bark or bray if you can. The scriptures say:

"His watchmen are blind: they are all ignorant, **they are all dumb dogs**, they cannot bark..." (Isaiah 56:10).

You closed off your post by saying:

Quote John Collins: *"I'll gladly be condemned by others if it will help one single person find Christ. I already look like a fool – so it doesn't really matter to me if another person sees what I look like if it can point them back to Jesus Christ!"*

Yes, that is the purpose of Bethel; to condemn your lies that it may help others find Christ and help others see what a fool you have made of yourself.

You claim that these people behind this website will blast you for something else. No, we must deal with only **one subject at a time**. Prove your lies that William Branham stole his revelation of the seven seals, seven church ages and Daniel's seventy week from Clarence Larkin or repent to the world. I await your response on this subject.

OTHER LIES OF COLLINS EXPOSED

I have also addressed two of your other lies below found in your post, one of which you said that William Branham taught that only piano and organ are to be used in the church. I have quoted him to prove that he taught the opposite. You stated:

LIE NUMBER 1: Quote John Collins: *"William Branham instructed my grandfather, pastor of the Branham Tabernacle in Jeffersonville, IN to ONLY allow the piano and organ into congregational worship." Your grandfather was not the pastor of the Branham tabernacle while William Branham was alive. William Branham taught the tabernacle publicly that **other musical instruments could be used in the church besides the piano and organ, and he publicly sanctioned the use of other instruments.**"*

Quote William Branham: 144b ... **How many instruments are we to have in church besides organ and piano?**

Well, it depends on if you had a string band or whatever you had, you see. I don't know what you got, what this means, I don't understand it. But the organ and the piano are property of the church. Now, if the song leader would take a notion to have **trumpets and cornets** and so forth like that, and somebody's come in the church and they play these instruments... And they're in a band, and then, course, then that's for your trustees, to take it up with the trustees and see if they got money to buy their instruments and so forth, or whatever like that. I guess that's what their question is.

... The church wouldn't buy a **trumpet** for a man that plays it here and tomorrow night somewhere else, and somewhere else, and drop in once in a while and play a little bit. No, sir. It's got to be a **band right here, organized band** with the leader, and then the church, talk to them about buying the instruments." (Church Order 63-1226).

GOD'S CHOICE - A MISSION WHERE THEY'RE BEATING THE TAMBOURINE

Quote William Branham: E-13 ... Usually **God's choice** is a little old mission down here on the corner somewhere where they're beating a **tambourine**, clapping their hands. Sometimes **that's where God's at**. That's right. (This Great Warrior David 55-0118).

SHAME ON YOU PEOPLE THAT DON'T BELIEVE IN MUSIC

Quote William Branham: E-47 ... Said, "Now, go get a minstrel and start playing." And when they went to play the music, they got in the spirit.

Shame on you people that don't believe in music. That's what brings the Spirit of the Lord sometimes. God doesn't change. **If He liked it then, He likes it now...** If you can't be Elisha, be one of the instruments, or be one of the minstrels' strings then. Make something, do something for the Lord, 'cause it altogether brought the Spirit of God. That right? The presence of the prophet and the playing of the minstrels... And they begin to play some good old hymn upon these **string musics**, and beat the **tambourine**, and they all got into the spirit. (Separation.From.Unbelief 55-0228).

YOU WERE HUMBLE WHEN YOU HAD A TAMBOURINE BEATING & A GUITAR STRUMMING

Quote William Branham: E-76 ... *God said one time when they was little, they served Him. But when they got big, then they forgot Him. That's right. When we had a tin pan down here on the alley somewhere, with a **tambourine beating** it on the back of our hands, and an **old guitar strummed** it, and having a street meeting, you were humble.* (The Marriage Of The Lamb 62-0121E).

So you lied on William Branham. You are a notorious liar and a very dishonest man. Your words

are not to be trusted.

LIE NUMBER 2: Quote John Collins: *"they added a fictional addiction to drugs to my testimony and seemed to think that a person could be saved by drugs. "Salvation from Drugs," they titled it."*

These are lies. Let us look at what was said on the website and compare it with your claim above:

bethelthehouseofgod.net: "Salvation by drugs

John Collins said that "...my body was craving the serotonin so harshly that I could not control my actions." He further claims that his sin was "a direct cause of my lack of serotonin and increased by addiction, it was God's perfect plan for the salvation of my soul."

... **it appears that he is claiming that a lack of serotonin caused his sexual addiction.** He goes on to say that "...it was God's perfect plan for the salvation of my soul." I beg to differ. Collins was led away with his own lust, as says II Timothy 3:6. Paul wrote the following (II Timothy 3:1-9):

As to salvation of the soul, I know of no place in the Bible that supports salvation by using **a drug** or chemicals. On the contrary. Salvation comes through Jesus Christ."

The person there was speaking about a sexual addiction, not a drug addiction, and they denied that a person could be saved by a drug (Pharmaceutical) or chemical. So you have again been proven to be a notorious liar. Repent for your lies or perish. Amen

RESPONSES OF COLLINS & HIS FOLLOWERS

Quote John Collins' Response: *"WOW! That was an angry post! :) It sounds like you need to catch up a bit before we can have an intelligent discussion -- all of your questions have already been answered in this forum and in our publications.*

We can talk again after you have more background knowledge on the subjects -- but quite frankly -- after you study them I think the conversation will have ended.

Either way, I don't engage in debates based in anger. God cannot be found in rage. Tone it down a bit before we continue."

E.O.D.H. Answer: "That is a slick way to evade the issue. **A little too hot for you to handle."**

Quote Collins' Associate Reba_Ze_Grouch: *"...your post as well as Bethel's article are both so ridiculous as to be completely laughable... Do you even know what serotonin is?"*

*Thanks for the laugh, anyway. I think I'll go find some sports to watch. I'm quite fond of drag racing... Now since it's Sunday, I'm pretty sure there's bound to be some **great sports on TV. Cheers!**"*

E.O.D.H.'S RESPONSE – COLLINS & FOLLOWERS AGAIN CHALLENGED

ARE ANY OF YOU WILLING TO COME FORWARD AND PICK UP THE CHALLENGE OF BETHEL/EODH?

To all followers of John Collins and his lies, this post is addressed.

Bethel the House of God, which I am identified with, and which I represent, **exposed the lies of your leader** on our website: **bethelthehouseofgod.net**, on the subject that William Branham stole his revelation of the seven seals, seven church ages and Daniel's seventy weeks from Clarence Larkin, which we exposed as lies, in no uncertain terms. Thus we **sent forth a public challenge** to Mr. Collins or any man on earth to disprove what we wrote:

PUBLIC CHALLENGE TO ANY MAN

“Any man who wants to pick us up on this challenge that exposed the lies of John Collins can contact the editors: Dalton Bruce and Ronald Jack (Mountainspring_@hotmail.com and livingfountain@msn.com). We are not interested in your opinions. Support all that you have to say by the Word and message of William Branham, or you will be **fully exposed with your projections** and placed side by side with this lying monster.

PUT YOUR NAME AND CONTACT even as we have placed ours. **WE MAY REQUEST FROM YOU A PHOTO OF YOURSELF**. Thank you. Amen.”

Mr Collins responded to our article on this forum **evading the issue** and picking on other matters where he further lied to the world that William Branham believed in the use of no other musical instruments in the church other than pianos and organs. **He is yet to repent for this lie**. Thus I took him up and publicly challenged him before the world and before you all, on this his public forum, to prove these lies, and further exposed his lies and new ones formulated in his response.

My post was **too hot for him to handle**, thus he further evaded the issue and threatened to remove my post from the forum.

It is obvious that **Mr. Collins is not man enough, has no defence** against this exposition and **cannot pick up this challenge**, thus you his followers, who are few in number, have come to the forefront with your heretical contributions, which I will collectively address after your response to this post.

I have read the posts of you all: Reba_Ze_Grouch, Didymus, FreedomTruth7 and oldgreymare.

I wish to humbly ask, **which of you are willing to come forward and pick up this challenge** on behalf of your leader? We request that you **submit your full name, contact and a photo** of yourself that we may be able to identify you before the world with your projections, even as we have identified ourselves with the exposition of Collins' lies, placing our names, contacts, and our photos can be found on our website.

If you are so positive that what you teach on this subject are not lies, and you could substantiate it, then you ought not to be ashamed to be identified with your claims. We will publish your name, photo and contact, along with your projections, free of charge.

We are not interested in your opinions. Support all that you have to say by the Word and message of William Branham.

The exposition of Collins' lies can be found on our website: **bethelthehouseofgod.net**. Please acquaint yourself with the full contents of the document, as I await your responses. If you are too coward to come forward and identify yourself and pick up this challenge, then I will respond in absent of these. My response

will be full of love, as love is corrective."

Quote Collins' Associate Didymus:

ARE YOU WILLING TO FACE ME IN A FAIR CHALLENGE?

To our friends from Trinidad, and at one time fellow followers of William Branham:

... you have issued a challenge to "To all followers of John Collins". It's an act of hubris which I cannot tolerate.

...I challenge you to a debate on these terms:

1. The "forum" must be neutral territory

2. Only two reference resources will be allowed: Clarence Larkin and William Branham's writings.

...If you are not willing to accept a debate on these terms, you already have been defeated.

...I will publicly reveal my identity on whatever "neutral" forum we kick this off on.

... I can be reached by Private Message. We can discuss terms of engagement and possible sites there."

E.O.D.H. Answer: "Truly the scriptures say that a fool rageth and is confident. I am not afraid to face you Didymus, as the Word of God is never defeated. And I am doing it right here on your forum on your grounds. Reveal your identity and answer to my challenge and pick it up if you can, right here. We will debate only on our challenge against Collins' lies. Disprove what we have written. That's the topic. We won't be detoured by any other subject to dodge the real issue."

...Mr. Collins, you complained of how long my post is, yet your opening post is four times its length. You are not fooling anybody. **You cannot pick up our challenge** that exposed your lies and you are doing everything in your power to evade it. Face it like a man and disprove what we have written. Challenge it if you can.

Quote Collin's Associate Reba_Ze_Grouch: "*... you may possibly be the most rude message believer I've ever come across...*"

Quote E.O.D.H.: My Sister: Indianagirl62,

be encouraged to stand for this message against all opposition and all heretics, for this message is the truth, and nothing but the truth. And there isn't a heretic or unbelievers like this group, in all the world could defeat what William Branham taught. We challenge the world. You may find my words sound hard to these few unbelievers, but it is apostolic exposition of heretics which I could show you where Jesus and the apostles employed, and even Brother Branham employed when he exposed religious unbelievers as mules etc, and religious people in the scriptures were told that their throats are like an open sepulchre (Stink), natural born brute beast, serpents, generation of vipers etc. **Love is corrective.**

Stephen was correcting the Jews like a lion, saying ye stiffnecked and uncircumcised in heart and ears. But **in his heart he was like a lamb**, for when they stoned him, he said, lay not this sin to their charge. Jesus raked over the religious people in his day. Read Matthew 23. So don't misinterpret our actions wrongfully.

The prophet: the immortal Elijah; William Branham by name: like John the Baptist; was the greatest man

ever born from woman in the 20th Century, and the greatest prophet that ever walked the face of the earth outside of Jesus Christ. He said that Polycarp saw a rejecter of truth and crossed the road and would not answer to his call. The heretic asked if Polycarp did not see him. Polycarp said, yes I see you thou firstborn of Satan. Yet Brother Branham said he **was not militant enough against the Nicolaitan system.**

Feel free to contact us through our email on our website. We are standing for this message in all its purity. In the end we will be rewarded. But this group of unbelievers on this forum are all heading for ROMANS 1:26-29, as a penalty for rejecting truth, and to believe a lie and be damned by it: II THESSALONIANS 2:11-12.

Quote Collins' Associate Didymus: *"Alright- we'd best kick this off... My name is Austin Williamson... I can be reached at **tinoesroho /at/ gmail [d0t] com**. Those of you who browse social networks will find my face- although why would you be on a social network in the first place? Isn't it the moral scare of today's message pastors? Oh, a picture, you say?"*

E.O.D.H. Response: "You act like a religious clown. I challenge you to DISPROVE what we have written."

Quote John Collins' Response: *"So many challenges and so little love! Message cult leaders will ask you to DISPROVE their theories, and yet will not offer proof... ...I don't remember Jesus Christ or any of the apostles saving souls by issuing challenges. Win hearts with love, lose souls with hate."*

E.O.D.H. Answer: "Here is the proof you requested Mr. Collins, where all your lies that W. M. Branham stole his revelation from Larkin was exposed, though you have already read it on our website. See below. You are not fooling anybody by **evading the issue** and now trying to act like a good old priest that is full of love.

Here is an excerpt from our website with our challenges and exposure of your lies. Challenge and disprove it if you can. **I challenge you and your followers to disprove** what we have written below:

EXCERPT FROM THE EXPOSITION OF JOHN COLLINS' LIES AGAINST WILLIAM BRANHAM FROM BETHEL'S WEBSITE

[Ed. Quotations from Collins' exposition were supplied, comparing Larkin's interpretation of the seals with the revelation of the Lamb given to William Branham, exposing the lies of Collins. After reading all these proofs, this was the responses of these big men:]

Quote Collins' Associate FreedomTruth7: *"You forgot the most important proof of all, Dr Larkin never mentioned the Louisville Municipal Bridge. He certainly never had the revelation like the 'prophet!'"*

Quote John Collins: *"But maybe Larking killed that second brown bear Branham prophesied and never killed! Was he a hunter?"*

E.O.D.H. Answer: "Collins and Freedomtruth7, your sarcastic words in your posts are just **other ways of saying that you cannot pick up Bethel's challenge** and refute what we have written. They reveal the emptiness of you both: two blown up bags of air that cannot pick up our challenge.

What is the subject under discussion here? Bridge, bear or Bethel's challenge to you all to refute what we have written, exposing your lies Collins, that William Branham stole his revelation of the seals, church ages and seventy weeks from your Baptist forefather; Clarence Larkin?

If you cannot pick up this challenge, and have nothing to say in this respect, you both need to **politely shut up!** We can **only discuss one subject at a time**. And if when heretics and unbelievers are exposed on one subject and they would not humble themselves and acknowledge their wrong and repent for lying to the world, it is of no use discussing another topic with them, because they are downright **dishonest, deceitful and hypocritical**.

Collins, when are you going to repent to the world for **telling a blank lie** that William Branham supported the use of only two musical instruments in the church: the organ and piano? I proved to you and all on this forum, by quoting Brother Branham's direct words, that **you lied. Will you repent, you lying hypocrite?** What deceit! What insincerity! If you had the Holy Ghost in you it would convict you to repent. Your lack of repentance shows your emptiness down on the inside. Paul said:

Titus 3:10 <A man that is an heretick after the first and second admonition reject;>

Quote John Collins: *"You mistake this forum thread as a response to your challenge to debate. As I stated before, I don't engage in this type of argument -- nobody wins in an argument based on anger.*

If you are truly searching, then you will find the answers to your questions in this forum. Otherwise, it's quite a waste of time and energy."

E.O.D.H. Answer: "I am not searching. I am challenging you to pick up the challenge of Bethel and disprove what we have written or repent for lying to the world.

Mr. Collins, **I am waiting to hear from Didymus** before I give my final posting on this subject. **Where is he with his big boast** of challenging what Bethel has written? Let him come forward now if he has anything to say. Let him not wait until I leave this forum to open his mouth.

I am calling on him to come forward now and challenge what Bethel has posted on our website, exposing your lies against William Branham that he stole his teachings on the seals, church ages and seventy weeks from your Baptist forefather; Clarence Larkin, for it is obvious that **you Collins have nothing to say** and cannot pick up our challenge. **Bethel/E.O.D.H. has shut your lying mouth."**

Quote Collins' Associate Tsur Driver: “@Seek, Larkin said is was a Brown Polar Bear and it had to be shot because it ate, nay, it literally devoured, seven seals playing trumpets on the icy shores of Bafflin' Island. The seventh seal was quiet for at least a half hour, before it too went, sad to say, the Buffalo way.”

@Didymus, Whaaaaat? You shaved off your 'stache and switched to a white hat?”

Quote Collins' Associate Reba_Ze_Grouch: “Anthony, you can issue your rude "challenges" all you want. No one is going to go to your ridiculous website and meet your ludicrous terms. Why would they?... All you are interested in is picking fights with anyone who doesn't attend your cult church. You're a sad little man.”

E.O.D.H. Answer: Has Collins, Didymus and others delegated you to speak on their behalf? If so please let me know.

There was no response to this post. Didymus surfaced a week later stating that he was away, that he went over the church ages and compared it with Larkin's writing but did not get the time to answer as yet and that he has no internet connection. I have not heard from him since responding to our challenge.

This therefore, was the final response posted on this subject. Collins and his associates had nothing more to say as they knew they were defeated.

SUMMARY & CLOSURE

In summary of this matter, I wish to state publicly: **Collins fabricated blank lies** about William Branham. When E.O.D.H. exposed his lies, **Collins refused to repent.**

If Mr. Collins' condemnation of this message was based on any sincerity and wanting to know the truth, **he would have humbly repented** at the exposition of his lies when the truth was presented to him. If you, his associates, were seeking the truth, you too would have done the same.

We have proven Collins to be a blank liar. **He is not seeking truth. He has an ulterior motive.**

We were accused of picking fights.

It was Collins who made the challenge and went public with it. He started this matter. He picked on the prophet and picked on message followers and sent out a challenge and lied in doing so. **E.O.D.H. exposed his lies** and in turn sent out a challenge to him to disprove what we wrote. He was not able to pick up our challenge, and whenever he opened his mouth in response, we shut it.

Where is your mouth, Collins? E.O.D.H. has shut your lying mouth and have cut off your lying tongue. You are exposed before the world. And do not try to side-track the real issue by bringing up other matters and trying to take us down some dark ally of what is plagiarism. Disprove our exposition of your lies. This is the subject that we are interested in, and none other.

We were accused of acting in an unchristian-like manner. Who is being more unchristian-like than you, Mr Collins, when you would come against a holy prophet of God who was sent by the almighty, calling him a false prophet and branding message churches as cults, and furthermore lying to the world and refusing to repent when your lies were exposed? And on top of that when exposed you tried to act pious like a good old

priest and full of love like the Scribes and Pharisees, but inwardly you are **full of hate** against the truth, the Word of God, the message of the hour, and God's prophet for our day and age. You are pretending to have the fruits of the Spirit, but **you are a wolf in sheep clothing**.

Our Lord said:

Matthew 7:15-16 <Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravaging wolves.

Ye shall know them by their fruits...>

May this exposition of Collins' lies and his inability to defend himself against the truth, comfort all message followers and **confirm to them that we have not followed cunningly devised fables**, and there is not a lie formulated against William Branham, by the devil and evil immoral men like John Collins, that Christ and His true servants cannot defend. It is evident by this exposition. The Word and the message have prevailed over the lies of this immoral heretic and his associates.

Matthew 16: 18 <...upon this rock will I build my church; and the gates of hell shall not prevail against it.>

May it further serve as a warning to all other heretics who would lift up their swords against William Branham and against E.O.D.H., that thorough and apostolic exposition would be their portion.

We waste no more time with these heretics. They have proven to the world that they are totally dishonest and deceitful, and refused to repent when corrected by the Word and message. The scripture commanded us to reject them after the first and second admonition.

Titus 3:10 <A man that is an heretick after the first and second admonition reject;>

And finally, to all message believers, this exposition of Collins' lies have shown the power of the Word of God that was restored today by Christ, through the opening of the seals, that it is undefeatable, and shows how it shuts the mouth of big men and make them fall before the truth, become dumbfounded, stuttering for answers and cannot answer when exposed by the truth. It shows the power of this revelation of Christ, propagated by Bethel/E.O.D.H.

May all message followers take courage by this exposition, and may each one be encouraged to take up their sword and in accordance with Jude 1: 3, earnestly contend (which is to do battle) for the faith that was once delivered unto the saints, and restored today by William Branham.

WHO IS WILLIAM BRANHAM?

We wish to boldly state to the world and to all who may be seriously and sincerely enquiring; that William Branham was the **fulfilment of Bible prophecy**, fulfilling the scriptures of Revelation 10: 7, Revelation 3:14; the seventh angel messenger prophesied to come in the end time to reveal all the mysteries that were written in the Bible and restore the Word that was lost in past ages; God's restoration prophet (Matthew 17:11).

He was Elijah the prophet, fulfilling the scriptures of Malachi 4: 5-6; a prophet like unto Noah, sent with a message of warning before the burning of the earth.

He was the fulfilment of Matthew 17:11, Matthew 25: 6, **a forerunner to introduce Jesus Christ** in His second coming, our John the Baptist today; the greatest prophet that was ever born from woman, outside of the lovely Lord Jesus Christ.

We challenge the world on what he taught, because what he taught is founded on the Word of God:

He forbid a woman from teaching the gospel: I Timothy 2:11-12, I Corinthians 14: 34, he preached **modest apparel** for women: I Timothy 2:9, women are not to wear men's garments: Deuteronomy 22:5, long hair for a woman's covering: I Corinthians 11:5-15, and **water baptism only in the name of our lovely Lord Jesus Christ:** Acts 19: 4-5, Acts 2:38, Acts 8:16, Acts 10: 48, Acts 19: 3-5 Luke 24: 46-47.
