

## WEBSITE RECONSTRUCTION – REMOVAL OF CERTAIN ARTICLES

The years 2000 to 2020 have made it twenty years since Exposition Of Damnable Heresies (EODH) has been in publication. It **has had an impact on the Bible world**, second only to the Gospel publication: Voice of God Recordings. It sought to expose multitudes of major heresies and major heretics that crept in to the message after the passing of our precious prophet, the last church age messenger, Brother William Marrion Branham, (which he prophesied to come as false anointed ones), even as they crept in in the first church age after the passing of Paul the apostle, the Ephesian messenger (Acts 20). In so doing it has exposed every major heretic from around the world.

**A great thing resulted**, for which we glorify God: it **brought out preachers and churches** worldwide, from the clutches of these impersonators, false prophets, heretics and false anointed ones in the end time. These churches now number hundreds, and their ministers and congregation members are now the adherents to this God-sent work, as the evident fruit of the ministry of Christ. They glorify and thank God for bringing them out from under the clutches of these evil men and cannot help but testify that “We once were blind but now we see”. Their names are too numerous to mention.

We wish to boldly state, in glory to the almighty God and his Christ, that God’s purpose for sending this publication has been fulfilled. The sheep have been delivered, but evil men will wax worse and worse, as out of the many of the heretics exposed, only few repented.

Some heretics were brave enough, and attempted to challenge their expositions. They were further exposed, over and over and were put down; yet they failed to repent. We have therefore concluded concerning these men, even as the great Polycarp concluded:

*Hosea 4:17* <Ephraim is joined to idols: let him alone.>

*Titus 3:10* <A man that is an heretick after the first and second admonition reject;>

A new stage has now been set. We are therefore removing some of these articles from our website, but they will be retained on personal files. We know that these heretics who were exposed would be very joyful. This should not be viewed as if we are wrong or are running from these expositions. No, nothing could be further from the truth. But the fact is that we disciplined many people, and we have come to the place, after twenty years, that we will delete some of these things because they are outdated and men have not corrected themselves. They chose to go with their interpretations which were defeated.

We wish to further state that EODH is not defeated. Whoever rises up in future to challenge us, they would be exposed and put down in the very same manner.

May the ministers, congregations and the sheep of God that found deliverance through our blessed publication ever grow in grace as they continue to walk in the pure light that has shun on their pathway. Amen and amen.
